What We Deliver

CAPABILITY	OUTCOME
48–72 hour deployment	Surge coverage without hiring delays
SLA-driven performance management	Defined metrics, accountable results
Compliance-ready agents	HIPAA, financial services, government standards
Omnichannel support	Voice, chat, email, SMS — one team
Customer Operations	Intake, CRM updates, documentation, dispatch, and workflow coordination

Why Us

WOSB-Certified	Qualified for federal set-aside contracts
No long-term contracts	Scale by program, not by headcount
Industry-Trained agents	Healthcare, financial, retail, government
Performance-defined	SLAs, quality monitoring, continuous improvement

Past Performance

CLIENT	INDUSTRY	SCOPE
Modivcare	Healthcare	Transportation coordination, voice support, compliance-driven scheduling
Intuit	Financial Services	Phone & video technical support, tax season surge coverage
Home Depot	Retail / E-commerce	Customer service, sales support, issue resolution, seasonal scaling
Stand Up To Cancer	Nonprofit	Customer service, issue resolution, seasonal scaling
